

Olson Research Celebrates 30 Years

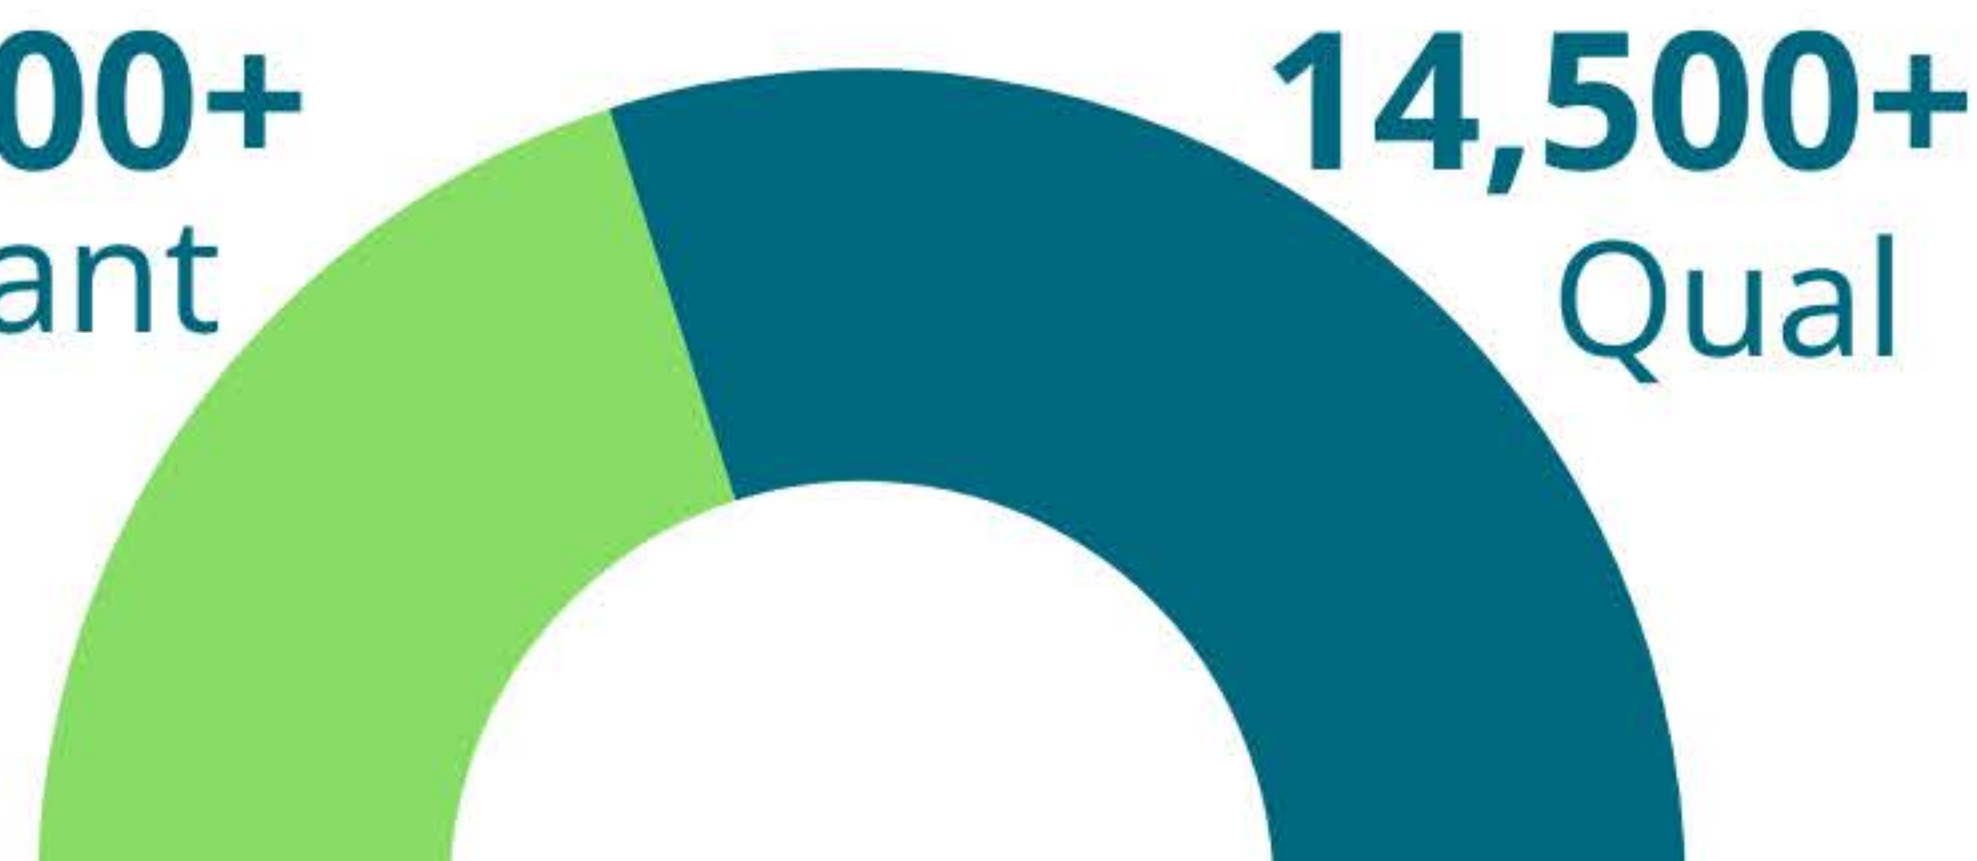

To reflect on this significant milestone, here are a few facts and figures regarding the fieldwork and extended market research services we have delivered to the pharmaceutical and life sciences industry since our inception in 1995.

Our deep access to US provider data, combined with our seasoned senior-level consultants, and dedicated qualitative and quantitative project managers are hallmarks of our success.

24,000+
Completed
Healthcare Studies

9,700+
Quant

We are known for our collaborative approach to research that supports flexible solutions, while staying laser focused on our clients' most critical questions.

16+ Years
Average Tenure of
Olson Research Employees

1,300+
Patient Chart Audits Conducted

400,000+
Patient Charts Collected

Patient Chart Audits via quantitative tracking research is a core capability, and an area of heightened client interest.

We are very proud to have successfully reached our 30th year in business and look forward to continuing to learn, collaborate, innovate and contribute meaningfully to our industry. Thank you for being a part of this exciting journey with us!
